

The 20th anniversary Hel.A.S member survey

Name:

Work Address (only if different than the one shown in the Hel.A.S. database- if in between jobs please enter NONE):

Position:

- ☐ Postgraduate student
- ☐ Post-doc
- ☐ Researcher
- ☐ Faculty
- ☐ Other (please specify)

Area of research (you can tick more than one box)

- ☐ Theory
- ☐ Observations
- ☐ Instrumentation
- ☐ Mostly space-borne
- ☐ Mostly ground-based
- ☐ Both space and ground
- ☐ Solar/Planetary
- ☐ Stellar/Galactic/Local Group
- ☐ Extragalactic
- ☐ Relativity
- ☐ Cosmology
- ☐ Other (please specify)

Major observational facilities in Greece you have used during the last 5 years for research purposes:

- ☐ Aristarchos
- ☐ Skinakas
- ☐ Kryoneri
- ☐ Stefano
- ☐ Evdoxos
- ☐ Gerostathopoulou
- ☐ Other (please specify)

Other major facilities (in Greece) you have used during the last five years (e.g. a National computing resource – please specify):

Short description (**no more than 100 words**) of observational/computational (or other – please specify) facilities that will be necessary for your work in the next decade.
